This simple quiz is designed to give you an indication of how strongly you are influenced by the following money motivations: Freedom, Security, Power, and Love. None are inherently good or bad, although each certainly has its dark side.

“C” answers indicate that money relates to Power. Personal success and control are important to you, and you appreciate the power money sometimes provides.

“D” answers indicate that money relates to Love. You like to use money to express love and build relationships.
